

The Paint Brush or The Scrubbing Brush, Which?

The day of the dusty carpet, the dirty floor and scrubbing brush is waning. A rug can be shaken in a minute—a painted floor can be cleaned with a duster.

THE SHERWIN-WILLIAMS SPECIAL FLOOR PAINT

Is especially prepared for floors. It dries quickly. It gives a hard, glossy finish. It represents the difference between the light and the dark side of house-keeping.

DORIC FROM 'FRISCO

The Occidental & Oriental steamship Doric arrived off port from San Francisco early this morning. She was docked at the Bishop wharf at about 5:15 o'clock. The steamship experienced a pleasant and uneventful voyage. She made the excellent time of 5 days, 19 hours and 7 minutes.

Among the Doric's passengers is Benjamin Campbell, the assistant traffic manager of the Southern Pacific railroad. He is on his way to Hongkong, accompanied by Mrs. Campbell.

The Doric's cargo amounts to 3250 tons of freight, consisting principally of 1900 tons of flour and 50,000 feet of lumber. She carries \$200,000 of treasure for Oriental ports.

Chief Officer Harry Gunkroger is suffering from the effects of an accident that nearly destroyed one of his eyes. A tiny pistol, worn as a watch charm, was loaded with a blank cartridge, and in the hands of a friend was playfully turned upon him and fired, with the result that the powder blinded one of his eyes.

E. J. Hales, formerly fourth officer of the O. & O. S. S. Coptic, has taken the position of third officer of the Doric in place of James Denison, resigned.

QUEEN'S VISIT TO KOA.

Among the returning passengers in the Mauna Loa yesterday was Queen Liliuokalani, who made the round trip for the purpose of visiting her friends along the Kona coast. The Queen stopped off at Hokena on Wednesday and remained over until Friday. She then went to Napoosoo, remained there until Monday, when she was picked up by the steamer. The Queen had a most excellent time and was accorded an enthusiastic welcome all along the way. Several lunas were given in her honor.
